

FORT BEND COUNTY M.U.D. NO. 25 COMMUNITY FOOD DRIVE AN OVERWHELMING SUCCESS!

The community food drive was an overwhelming success with District residents demonstrating an outpouring of community spirit and willingness to join the District's "Neighbors Helping Neighbors" program. Collectively, there was over 10% participation from all residents within FBCM25! Tons of food items were collected for our partner, the East Fort Bend Human Needs Ministry (EFBHNM), to help needy residents. As a result of your donations, over 330 bags were collected with more being delivered daily.

1st Place Winner: Residents of Orchard Lake Estates Over 18% of participation

2nd Place Winner: Residents of Summerfield Over 12% of participation

3rd Place Winners: Residents of Stratford Park Over 10% of participation

However, while this was a friendly competition between subdivisions, there are no losers because every single item contributed will help to increase the opportunity that someone's child, parent, sister, brother, aunt or uncle **will not** go to bed hungry tonight!

To the Residents of FBCM25: The District's Board of Directors offers our gratitude and sincere thanks for making the endeavor such a positive experience for neighbors in need who will benefit from your caring and generosity. Communities are comprised of a variety of components -- homes, schools, businesses, construction, development, churches, roads, parks, and pools -- are just a few of the items that come to mind. However, the heart and soul of every community resides within the spirit of the residents who live there. The most successful communities are built on a foundation of neighbors helping neighbors. Thus, it is clear, from the efforts of the residents and employees of FBCM25, that we are lucky enough to live in one of the most successful communities in Ft. Bend County!
